

CALL FOR PAPERS

IEEE International Conference on Prognostics and Health Management

The IEEE Reliability Society is seeking original papers for presentation at the 7th Annual IEEE Conference on Prognostics and Health Management (PHM)

This year the Conference will be held at Carleton University in Ottawa, Canada, on June 20-22, 2016. PHM is a wide-ranging, interdisciplinary field, that requires an energized exchange of ideas. This conference will match-up world-class expertise in the academic, engineering, and management disciplines to create synergistic exchanges of ideas and practices. Special attention has been paid to assure a sociable, professional environment to encourage networking, forging new relationships, and deepening existing ones.

Authors are invited to submit papers of relevance to PHM. Example topics include but are not limited to:

- ❑ Energy Systems
- ❑ Electronics Prognostics
- ❑ Vehicle Health Management
- ❑ Powertrains
- ❑ Battery Prognostics
- ❑ Algorithms and Implementation
- ❑ Structures and Materials
- ❑ Economics of PHM
- ❑ Railway Systems
- ❑ Gas Turbines and Rotating Machinery
- ❑ Multimode Systems
- ❑ Aerospace Applications

Important Dates:

Extended Abstract Due	January 22, 2016
Draft Full Paper Due	March 17, 2016
Final Manuscript Due	May 1, 2016
Conference dates	June 20-22, 2016

For more information visit the conference website:

<http://www.phmconf.org>

All presented papers that meet IEEE quality standards will be submitted to IEEE Xplore® for publication.
